Dear Mr. [REDACTED]

The New Mexico Attorney General's Criminal Investigations Division considers allegations of sexual assault and criminal conduct important and serious. However, we do need to have specific facts on the alleged incidents and have victim cooperation to support a criminal investigation. Please feel free to encourage any that have victimized to contact, SAIC Johnny Ortega at 505-222-9000.

I thank you for notifying the Attorney General's Office of your concerns.

Sincerely,
