

The following is a summary of a review of the Wayback Machine internet archive for bmzc.org from 2000-2013.

- Joshu Sasaki Roshi is referenced as the Abbot in [bmzc.org](http://www.bmzc.org) web pages every year from 2002-2012. These references exist on the Founders Hall Project Page from 2002-2012, the 2010/2011 New Year's Greeting, and the 2011/2012 New Year's Greeting.
- Christiane Ranger as Jiun Hosen is referenced and signs herself as Vice-Abbess every year from 2002-2013. These references exist on the Founders Hall Project Page, the New Year's Greetings, sesshin and kessei announcements, and other web pages.
- No references to Christiane as Abbot were encountered. Prior to 2002, she is referred to by a practice position rather than a title (e.g., Shika or Kigo).

Note that, while this review is reasonably thorough, the entire archive was not examined in detail. The actual data from this review is provided below. Excerpts are in red, along with dates and archive links.
